

The Different is Good bus to the Life is good Festival

Want to go see Ben Harper? Ziggy Marley?
Ozomatli? They Might Be Giants?

Want to ride to the concert with lots of other
Riverlutionaries in the Different is Good bus?

Friends of Children

The River heading to the Life is good Festival on Saturday, September 11 in Canton, MA. Want to join us? Raise money for Friends of Children of Northampton, a non profit organization serving children in western MA and we'll give you four tickets and seats on the Different is Good bus!

Fundraiser information

Our goal is to raise \$5,000 for Friends of Children. Just twelve families raising \$450 each will help us meet our goal. How do you raise your donation? Tag sale...Lemonade stand...Ask for contributions.

Your deadline is September 3. Your goal is at least \$450.

All funds raised will support Friends of Children's Fostering Dignity project.

Imagine you're a child in foster care moving to a new home. You're vulnerable and anxious. All you own can fit into one plastic bag.

The Fostering Dignity project gives new backpacks or duffel bags to children in foster care. For children who have lost so much, this practical possession boosts their sense of privacy and confidence, and provides warm socks, gloves, school supplies and other personal items donated by community organizations.

Owning a backpack decreases a foster child's sense of isolation when they make the transition to a new home and school in a new town. The message to these kids is clear: they matter.

Friends of Children, Inc. is designated as a 501(c)3 nonprofit organization by the IRS and the Commonwealth of Massachusetts. Friends of Children, Inc. serves the needs of children through individual case advocacy and support of coordinated programs and policies to improve their lives.
